# Carillon Music Academy Welcomes You...

We are excited to welcome all Lower Mainland piano and organ students to the 22<sup>nd</sup> Annual Carillon Music Festival (CMF)! This is the first half of the CMF, featuring contemporary piano classes, organ classes for all styles and small ensembles. The second half of the festival is from April 18 - May 3, 2015, featuring guitar, voice, strings and classical piano classes as well as duets and ensembles. We look forward to seeing you again in April!

The Carillon Music Festival was launched in 1994 to provide the young artists of our community with the opportunity to pursue their craft at a broader level. The festival provides participants with an extraordinary venue for performing, learning and sharing their musical experience with an unrivalled panel of adjudicators.

This festival is made possible through the time and effort of many teachers, students and donors who understand the importance of quality music instruction. We thank all of you who are supporting this special opportunity for hundreds of Lower Mainland music students. Good luck to everyone!

## Festival Reminders

1. **Students may not play the Festival piano between classes and/or during breaks.**
2. Original copies of music must be provided for the adjudicator. Photocopies will not be permitted – students who ignore this rule will not receive a certificate. However, legal downloaded music is acceptable. A student may not share music with someone in the same class. Three marks will be deducted if music is not presented.
3. Music must be memorized to avoid a 3-mark deduction. (Note: if the student plays with the music, a second original copy of the music should be provided for the adjudicator)
4. Each student must perform the piece (or movement) specified on the entry form. **If a different piece (or movement) is played, a mark will not be awarded.** Selections may not be changed after the entry deadline.
5. **Entry fees will not be refunded under any circumstances.**
6. Students should arrive 15 minutes prior to their class time. Late entrants will be called again at the end of the class. Students will not be permitted to perform in any classes other than those to which they are assigned in the program.
7. Repeats may not be played. However, D.C. and D.S. markings should be played in order to maintain the integrity of the piece.
8. **Measure numbers should be marked at the beginning of each line of the music.**
9. **Cellular phones and pages must be turned off during Festival classes. Cameras and video equipment will NOT be permitted under any circumstances.**
10. Students, teachers and the public may not approach the adjudicator. Adjudicator's decisions are final and will not be discussed. Questions may be addressed, in writing, to Colleen Myles (Festival Chairperson).
11. The Festival Committee will determine scholarships/trophies – all decisions made regarding awards are final. See awards list in Festival Syllabus for details regarding eligibility criteria. **Award recipients will be contacted within several days after the close of the Festival.**
12. Certificates are distributed during the Festival. The Contemporary Music Achievement scholarship/trophy and other trophies will be presented at the **Scholarship Concert on Saturday, March 7<sup>th</sup>, 2015.**
